

Pro-Fat

(Liquid "Nutri-Gold")

A concentrated, stabilized, highly digestible liquid energy source blended with aromatics, flavor enhancers, and feed stabilizers, Pro-Fat is specifically designed to help today's pork producer realize maximum return on his investment in genetics, environment and nutrition.

ANALYSIS

Crude Fat.....100.00%

INGREDIENTS

Blended vegetable and hydrolyzed vegetable fats stabilized with BHA and BHT, artificial flavors, flavor enhancers and organic acids.

WHY YOU SHOULD USE Liquid Pro-Fat IN YOUR OPERATION.

Liquid Pro-Fat consistently improves feed efficiencies by:

- Improving feed consumption in all swine
- Improving feed texture
- Aids in feed freshness

Liquid Pro-Fat improves your bottom line by:

- Improving sow efficiency in lactation and reproduction
- Improving birth and weaning weights
- Improving nutrient stability and absorption

Liquid Pro-Fat is unique in that it:

- Helps control hog house odor
- Provides easy wintertime handling

DUSTCONTROL

Pro-Fat reduces airborne dusts that increase the occurrence of swine respiratory stress. Less stress means less respiratory disease. Less dust creates a healthier work environment for employees and producers

ANIMAL EFFICIENCY

Pro-Fat stimulates appetite in swine of all sizes

- Pro-Fat fed sows milk heavier and rebreed sooner
- Pro-Fat enhances pig performance in the crate and in the nursery
- Pro-Fat helps keep grower/finisher hogs on feed

FRESHENS FEED

Pro-Fat acid levels help keep the freshly grounded grain in fresh condition and animal appetite stimulated.

EASY YEAR-ROUND HANDLING

Requires no extra heat

Does not solidify like animal fats or blends

YOU GET A LOT FOR YOUR MONEY WITH LIQUID Pro-Fat
